Welcome to our English Street!  
 Although learning a language is difficult for most people, there are many ways to make sure you enjoy it! By displaying the learning environment with images of posters which contain English words, phrases and linguistic items, we can facilitate the students' exposure to the target language English! Our English teacher Elif ÇİÇEK and our friends Semra Kendisever, Esra Eroğlu, Reyhan Toy, Zeynep Doğan and Meryem Kızılova have done wonders for our school with this street. Come and see it!

## Who is More Intellectual?

"I've had a most amazing time...."  
 So begins the Time Traveller's astonishing firsthand account of his journey 800,000 years beyond his own era—and the story that launched H.G. Wells's successful career and earned him his reputation as the father of science fiction. With a speculative leap that still fires the imagination, Wells sends his brave explorer to face a future burdened with our greatest hopes...and our darkest fears. A pull of the Time Machine's lever propels him to the age of a slowly dying Earth. There he discovers two bizarre races—the ethereal Eloi and the subterranean Morlocks—who not only symbolize the duality of human nature, but offer a terrifying portrait of the men of tomorrow as well. Published in 1895, this masterpiece of invention captivated readers on the threshold of a new century. Thanks to Wells's expert storytelling and provocative insight, The Time Machine will continue to enthrall readers for generations to come
